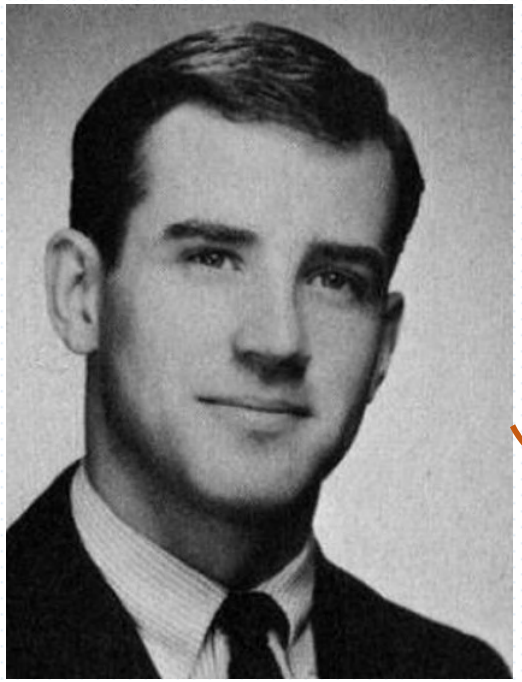
Age 27.....

1970
Harvard PhD.
in Psychology &
Language



The
youngest
US Senator

Gifted Achievers

1A Prologue

50 years later.....

Howard Gardner

World renowned scholar

Joe Biden

46th President of USA

Part 1B

Life Story

1B Life Story

- Gifted boy in 1950s
- Very top grades and unsociable
- Nobody know how to handle
- Sent for some tests

1B Life Story

About age 12.....

Language (+++++)

Math (++++)

Music (+++++)

Understand others (--)

Understand oneself (-)

Bodily kinetic (-)

1B Life Story

Gardner's Own Choice

Language (+++++) Keep reading and writing

Math (++++) Less interested in science

Music (+++++) Don't want to practice piano 5 hours a day

Sports No, no, no

1B Life Story

Watch a short video on **Howard Gardner's biography**

Source: https://study.com/academy/lesson/howard-gardner-biography-theory-books.html

Insert to next pages(0:00-1:35) (his childhood, but narrated by a third person, a lady, instead of Howard Gardner)

1B Life Story

Poor in Bodily physical abilities? Why?

Howie's mom

No mountain climbing,

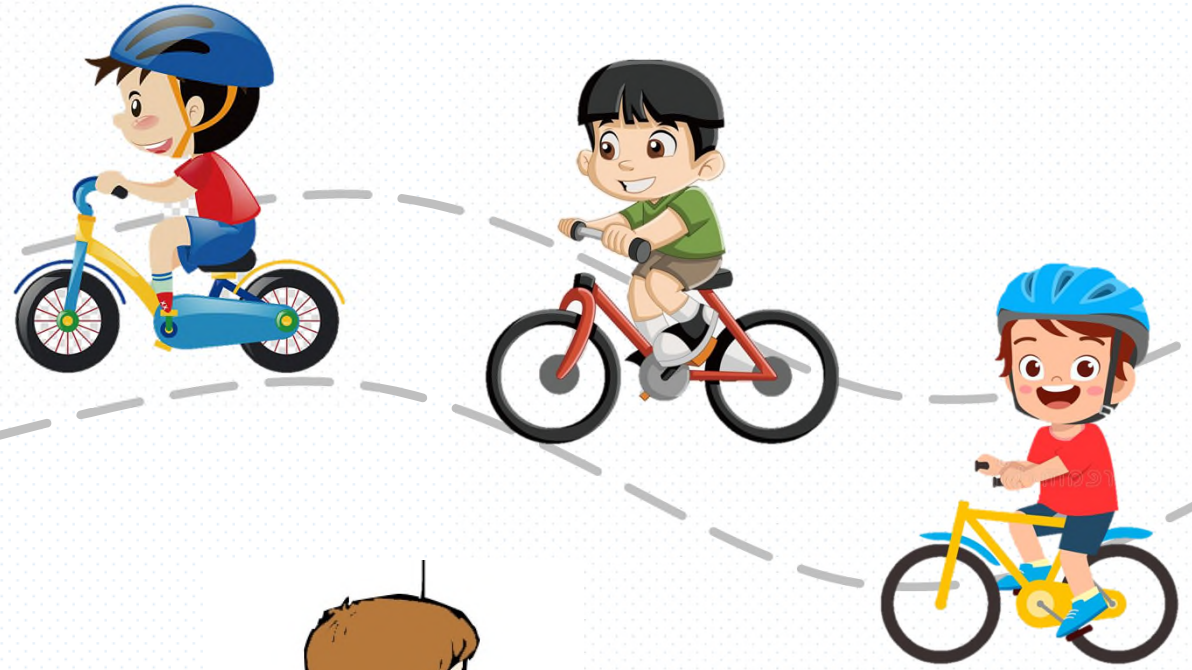
No cycling,

No swimming,

No....., no....., no.....

Why??

1B Life Story



Why don't you let Howie play and ride a bicycle?

Howard Gardner

1B Life Story

Family Tragedy

Howie's mom

We used to have an elder son; he rode a bicycle and had a tragic accident.

Howard Gardner

1B Life Story

A Protective Mom

Howie's mom

I won't lose my boy again!!

Howard Gardner
